"Parents and carers of children attending the Medical Education Team facility at Lea Street School Kidderminster have raised concerns with me about the state of the building:

1. In the very hot weather there is no shady outdoor space available for these young people some of whom are emotionally very frail. This means they are forced to remain indoors in stuffy classrooms; and

"In light of the recent comments made by the Police and Crime Commissioner regarding proposed further roadworks to the M5 that will impact Worcestershire residents.
