

## **ECONOMY AND ENVIRONMENT OVERVIEW AND SCRUTINY PANEL 18 JANUARY 2019**

### **FLOOD RISK MANAGEMENT ANNUAL REPORT**

---

#### **Summary**

1. The Panel will receive the Annual Report on Flood Risk Management in Worcestershire from the County Council's Flood Risk & Highway Drainage Manager.
2. The Flood Risk Manager, the Strategic Planning and Environmental Policy Officer and the Cabinet Member with Responsibility for Environment have been invited to attend, as well as representatives from Severn Trent and the Environment Agency.

#### **Background**

3. The Flood and Water Management Act 2010 (FWMA) created a new lead role for the County Council in managing flood risk, as reported to Cabinet on 1 July 2010. It also extended the powers of overview and scrutiny committees in Lead Local Flood Authorities (LLFA), to allow for the scrutiny of Risk Management Authorities as to the exercise of their flood and coastal erosion risk management functions.
4. In 2007 Worcestershire suffered extensive flooding. Subsequently a joint scrutiny on flooding in Worcestershire (with the district councils) took place in 2008, which supported the findings of Pitt's national review of the lessons learned from the 2007 floods. These included a recommendation that overview and scrutiny committees should annually review arrangements for managing flood risk.
5. An Annual Report has been produced which summarises the flood risk management activities and progress over the last 12 months of Worcestershire County Council (as LLFA), and the other Risk Management Authorities. The Annual Report is attached at Appendix 1.
6. The County Council's website also includes information about flood risk management.  
[http://www.worcestershire.gov.uk/homepage/147/flood\\_risk\\_management](http://www.worcestershire.gov.uk/homepage/147/flood_risk_management)
7. Scrutiny's discussion of flooding risk management last year on 12 January 2018 also looked at the role of external partners, including Severn Trent Water Ltd and the Environment Agency. The Minutes of this discussion can be accessed [here](#). The Panel requested a range of information from The Environment Agency and Severn Trent, to assist them in their role as local councillors, which was subsequently circulated to them.

#### **Purpose of the meeting**

8. The Panel is asked to:
  - consider and comment on the Annual Report

- consider the information provided by external partners
- determine any comments or recommendations to Cabinet.

## **Supporting Information**

Appendix 1 – Flood Risk Management in Worcestershire 2018 Annual Report
