2. If a motion is in relation to the exercise of an executive function it will be referred to the Cabinet for decision (if applicable this will be indicated below). Notice of Motion 2 – Use of Schools as Polling Stations

5. This motion is not in relation to the exercise of an executive function and the Council may decide to determine the Motion.

6. Notice of Motion standing in the names of: Mr P M McDonald, Mr R C Lunn, Mr A Fry, Ms P Agar, Mr R M Udall, Ms P A Hill and Mr P Denham.

"The general election and elections in general means huge disruption for teachers, parents and pupils as schools are forced to become polling booths.

Closing a school for a day does not just inconvenience parents, it's also a headache for the school. As holiday dates are set by the local authority and individual schools can't change them, staff are not given leave and are still expected to do some form of work, so the school cannot make up the day's lost teaching time later in the year, which means that pupils have a day less education.

Therefore we ask the Returning Officer to ensure that all other alternative locations are looked at and schools are used as a last resort as far as practicable".

Notice of Motion 3 – Mercury Payroll and HR System

7. This motion is not in relation to the exercise of an executive function and the Council may decide to determine the Motion.

8. Notice of Motion standing in the names of: Mrs E B Tucker, Prof J W Raine, Mr M E Jenkins and Mrs F M Oborski.

"This Council asks for an urgent investigation and report into how the fiasco of the introduction of the new Mercury payroll and HR system came about which has caused great problems to many of our schools. It should include an assessment of the response and remedial action taken and state what sanctions and penalties will follow from the contract."
