Dear Sirs

Worcestershire County Council

Financial Statements for the year ended 31 March 2017

This representation letter is provided in connection with the audit of the financial statements of Worcestershire County Council for the year ended 31 March 2017 for the purpose of expressing an opinion as to whether the financial statements give a true and fair view in accordance with International Financial Reporting Standards and the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2016/17 and applicable law.

We confirm that to the best of our knowledge and belief having made such inquiries as we considered necessary for the purpose of appropriately informing ourselves:

Financial Statements

- i We have fulfilled our responsibilities for the preparation of the financial statements in accordance with proper practices as set out in the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2016/17 ("the Code") which give a true and fair view in accordance therewith.
- ii We have complied with the requirements of all statutory directions affecting the Council and these matters have been appropriately reflected and disclosed in the financial statements.
- iii The Council has complied with all aspects of contractual agreements that could have a material effect on the financial statements in the event of non-compliance. There has been no non-compliance with requirements of regulatory authorities that could have a material effect on the financial statements in the event of non-compliance.
- iv We acknowledge our responsibility for the design, implementation and maintenance of internal control to prevent and detect fraud.

- v Significant assumptions used by us in making accounting estimates, including those measured at fair value, are reasonable.
- vi We are satisfied that the material judgements used in the preparation of the financial statements are soundly based, in accordance with the Code and adequately disclosed in the financial statements. There are no other material judgements that need to be disclosed.
- vii Except as disclosed in the financial statements:
 - a there are no unrecorded liabilities, actual or contingent
 - b none of the assets of the Council has been assigned, pledged or mortgaged
 - c there are no material prior year charges or credits, nor exceptional or non-recurring items requiring separate disclosure.
- viii We confirm that we are satisfied that the actuarial assumptions underlying the valuation of pension scheme assets and liabilities for IAS19 Employee Benefits disclosures are consistent with our knowledge. We confirm that all settlements and curtailments have been identified and properly accounted for. We also confirm that all significant post-employment benefits have been identified and properly accounted for.
- ix Related party relationships and transactions have been appropriately accounted for and disclosed in accordance with the requirements of the Code.
- x All events subsequent to the date of the financial statements and for which the Code requires adjustment or disclosure have been adjusted or disclosed.
- xi Actual or possible litigation and claims have been accounted for and disclosed in accordance with the requirements of the Code.
- xii We have considered the adjusted misstatements, and misclassification and disclosures changes schedules included in your Audit Findings Report. The financial statements have been amended for these misstatements, misclassifications and disclosure changes and are free of material misstatements, including omissions.
- xiii We have considered the unadjusted misstatements schedule included in your Audit Findings Report and attached an Appendix. We have not adjusted the financial statements for these misstatements brought to our attention as they are immaterial to the results of the Council and its financial position at the year-end.
- xiv The financial statements are free of material misstatements, including omissions.

- xv We have no plans or intentions that may materially alter the carrying value or classification of assets and liabilities reflected in the financial statements.
- xvi We believe that the Council's financial statements should be prepared on a going concern basis on the grounds that current and future sources of funding or support will be more than adequate for the Council's needs. We believe that no further disclosures relating to the Council's ability to continue as a going concern need to be made in the financial statements.

Unadjusted misstatements schedule

| Misstatement | Reason for not adjusting |
|--|--|
| <p>Creditors – the short-term creditors balance in the draft accounts includes £15.4m in respect of s106 and s278 contributions, which should be recorded as capital grants and contributions received in advance, within the long-term liabilities section of the balance sheet. This is the treatment adopted by the majority of councils, although we acknowledge that there is some inconsistency on this arising from confusion at the time the current accounting arrangements were implemented.</p> | <p>Officers have accounted for these balances in accordance with advice from previous auditors but are happy to change the treatment and will do so in the 2017/18 accounts.</p> |
| <p>PPE valuations – as a result of the additional work undertaken on assets not formally revalued in the year, officers identified errors in the valuation of three assets, meaning that the PPE value in the balance sheet is overstated by £3.1m.</p> | <p>Officers do not consider the misclassification to be material and propose making the change within the 2017/18 accounts.</p> |
