

HEALTH OVERVIEW AND SCRUTINY COMMITTEE

20 JULY 2018

HEALTH OVERVIEW AND SCRUTINY COMMITTEE ROUND-UP

Summary

1. To receive a round-up of information on:
 - County Council activities in relation to health
 - District Council activities in relation to health
 - NHS Board meetings
 - Consultations in Worcestershire
 - Urgent health issues in Worcestershire; and
 - Items for future meetings of the Health Overview and Scrutiny Committee

Background

2. In order to ensure that Members of the Health Overview and Scrutiny Committee (HOSC) are fully informed about issues relating to health scrutiny in Worcestershire, communication will be essential. To assist in this, an item will be placed on the agenda for each meeting of the HOSC to consider consultations, County Council activities, District Council activities, urgent health issues arising in Worcestershire and future agenda items. Regard for the Council's statutory requirements in relation to access to information will be critical.

County Council Activities in Relation to Health

3. A range of County Council services can impact upon and also be impacted upon by health services. Recognising that the health-related work of the County Council will be of interest to the District Councillors on the Health Overview and Scrutiny Committee, an oral update on such activities, and on other matters the Chairman has been involved in, will be provided at each meeting by the Committee Chairman at each HOSC.

District Council Activities in Relation to Health

4. The statutory power of health scrutiny, including the power to require an officer of a local NHS body to attend before the Council, rests with the County Council. However, it is recognised that a number of District Councils within Worcestershire are undertaking work in relation to local health issues, under their duty to promote the economic, social or environmental well-being of their area.
5. Recognising that the work of the District Councils will be of value and interest to the wider HOSC, an oral update will be provided on such activities by District Councillors at each meeting of the HOSC.

NHS Board Meetings

6. To help HOSC Members to keep up to date and maintain their knowledge of health issues around the County, it was agreed that a 'Lead Member/s' would be identified for

each of the local NHS bodies to attend their Board Meetings and then provide an oral update at each meeting of the Scrutiny Committee.

Consultations in Worcestershire

7. The HOSC has a duty to respond to local Health Trusts' consultations on any proposed substantial changes to local health services. An oral update will be provided at each meeting of the HOSC on both developments relating to consultations previously undertaken and forthcoming consultations.

Urgent Health Issues in Worcestershire

8. Worcestershire County Council's constitution makes provision for urgent items to be considered. Standing Order 12.2 specifies that the Chairman of the HOSC "may bring before the meeting and cause to be considered an item of business not specified in the summons or agenda where the Chairman is of the opinion, by reason of special circumstances (which shall be specified in the minutes) that the item should be considered at the meeting as a matter of urgency".

9. Additionally, Standing Order 9.4.2 allows for the Chairman of the HOSC at any time to call a special meeting of the Health Overview and Scrutiny Committee. Standing Order 9.4.3 allows for at least one quarter of the members of the HOSC to requisition a special meeting of the HOSC. Such a requisition must be in writing, be signed by each of the Councillors concerned, identify the business to be considered and be delivered to the Director of Commercial and Change. In accordance with Access to Information Rules, the Council must give five clear days' notice of any meeting.

Items for Future Meetings

10. It is necessary that the HOSC's ability to react to emerging health issues in a timely manner and the public's expectation of this is balanced against Worcestershire County Council's statutory duty to ensure that meetings and issues to be considered are open and transparent and meet legislative requirements. This agenda item must not be used to raise non-urgent issues. Any such issues should be raised with the Scrutiny Team at least two weeks in advance of a scheduled meeting of the HOSC.
