

At the heart of everything we do

Worcestershire's Children and Young People's Plan

2017 - 2021

Find out more online:
www.worcestershire.gov.uk/CYPP

This plan is owned by all agencies working with children, young people and families in Worcestershire

We will:

The plan will set expectations around the way all agencies will work

Build on and add value to existing plans and will change over time to respond to need

Focus on key priorities and success measures

Clarify our collective ambition and aspirations for all children and young people

Provides a framework for all agencies and organisations working with children, young people and families to make the necessary impact to improve lives

● Listen to, hear and understand children, young people and families

● Find strengths and build on positives to help people help themselves

● Prioritise partnerships - to improve outcomes, doing things with people, instead of to them, for them or doing nothing

● Focus on adding value, Keep asking is anyone better off? Is anyone worse off?

● Be brave enough to always do the right thing for children and young people

Our vision is for Worcestershire to be a wonderful place for all children and young people to grow up

What you told us is important?

Sleep because
I dream

Being good and
staying out of
trouble

Just had a baby
girl, she is the most
important thing in
my life

People being
less harsh and
being nice

Being appreciated
and having an equal
opportunity

That I'm able to
access support
and a club that
supports my
needs

Being given the
opportunities to achieve the
same as everyone else, not
being defined by my post code

If learning is
more fun

My family
as they are
everything

Family, friends, phone,
PS4, cricket bat and ball,
hockey ball and stick
