

**PENSIONS BOARD  
26 FEBRUARY 2021****WORCESTERSHIRE PENSION FUND (WPF) GOVERNANCE  
POLICY REVIEW**

---

**Recommendation**

1. **The Chief Financial Officer recommends that the Board reviews the Worcestershire Pension Fund (WPF) Governance Policy Review and the updated Governance Policy & Governance Compliance Statement attached as an Appendix.**

**Review of Governance Arrangements**

2. The Committee, the LGPS and the Fund fall under the responsibility of the Pension Regulator and must therefore adhere to their own codes of practice. This Fund continues to be subject to scrutiny at a national level from the Scheme Advisory Board along with its own Local Pensions Board.
3. Strong governance of the Pension Fund has always been paramount, and a detailed review of the Funds governance arrangements and Governance Policy statement was reported to Committee in March 2019.
4. A further report to Committee on the 16<sup>th</sup> October 2019 detailed two reviews by the Scheme Advisory Board (SAB) and the Pension Regulator looking at how to strengthen governance following the collapse of several private sector funds. This alongside the set-up of the pension pools and pressures to maintain balanced funds highlighted the need to maintain the strong governance of LGPSs had never been more important.
5. The report set out a series of proposals which have since been implemented being:-
  - a. The strengthening of the Pension Board
  - b. Taking on board the findings of the Scheme Advisory Board (SAB) 'Good Governance' review and producing Worcestershire Pension Fund 'Good Governance' position statement
  - c. The setting of objectives for the Fund's Investment Advisor
  - d. ***Both 5b & c are reviewed and reported every 6 months and provided to the December 2020 Pensions Committee***
6. This element of the governance review looks at the Governance Policy which was last updated in June 2020 for some minor changes within the Funds 2019/20 annual report.

**Governance Policy Background**

7. Regulation states, and best practice dictates, that a Pension Fund should have a range of written policies and procedures in place. Having such, not only proves regulatory compliance, but more importantly demonstrates good governance and

provides a range of information to stakeholders. This report provides an update to the Governance Policy Statement (Appendix).

### Governance Policy Statement

8. **Regulation 55** of the Local Government Pensions Scheme Regulations 2013 states: 55. - (1) An administering authority must prepare a written statement setting out-

- a) whether the authority delegates its functions, or part of its functions under these Regulations to a committee, a sub-committee or an officer of the authority;
- b) if the authority does so:
  - i. the terms, structure and operational procedures of the delegation,
  - ii. the frequency of any committee or sub-committee meetings,
  - iii. whether such a committee or sub-committee includes representatives of Scheme employers or members, and if so, whether those representatives have voting rights;
- c) the extent to which a delegation, or the absence of a delegation, complies with guidance given by the Secretary of State and, to the extent that it does not so comply, the reasons for not complying;
- d) Details of the terms, structure and operational procedures relating to the local pension board established under regulation 106 (local pension boards: establishment);
- e) An administering authority must keep a statement prepared under paragraph (1) under review, and make such revisions as are appropriate, following a material change to any of the matters mentioned in that paragraph;
- f) Before preparing or revising a statement under this regulation, an administering authority must consult such persons as it considers appropriate; and
- g) An administering authority must publish its statement under this regulation, and any revised statement.

9. The latest version attached as an Appendix has been reformatted slightly and has been updated to reflect some required changes to the Pension Committee Terms of Reference and further minor alterations which are highlighted in '**yellow**' for ease of reference. As the statement reflects the actual Governance arrangements in place, no wider consultation is considered necessary.
