a	Default of loan repayments by borrower to lenders due to SPV (Mercia) or HZI falling into administration.	Critical	Medium	15 (A)	Risk transferred	Due to the security package negotiated by the Councils a fall away analysis indicated that Mercia, its Shareholders and HZI would need to have entered administration at the same time to put a repayment at risk during the construction phase. The maximum exposure to the Councils has been calculated and included within the sufficiency assessment of the Council's reserves. All press articles are scanned regularly for indications of financial strength issues and followed up to ensure counterparty risk is not increased. An example is where ACS Construction and Services S.A., through its subsidiary ACS Services y Concessions S.L., executed the sale recently of its total interest in URBASER S.A. To Firion Investments S.L.U, a company controlled by a Chinese group. The Councils then obtained legal advice that reassured lenders that no action was required by any parties arising from this change in ownership, as there were no changes to the Shareholder (Urbaser Limited). More recently as per an article on the 8th June 2021 Platinum Equity an american firm has acquired Urbaser.	Substantial	Very Low	6 (G)	The risk owners are the Section 151 Officers of each Council supported by Ashurst as advisors in case of contract default and Deloitte had monitored Mercia's actual quarterly cash flow tests and cover ratios that have to be maintained by Mercia. KPMG conducted a review of the ratios as at the 31st December and all passed

Substantial	Very Low	6 (G)	Risk treated	The Council's treasury team maintain a spreadsheet detailing drawdowns to date and expected future principal and interest payments. This is reconciled to Mercia's repayment spreadsheet and will be matched to principal and interest repayments received from Mercia during the post construction period. Mitigating actions have continued to be taken by Mercia to combat the effects of COVID-19 and the latest assurance statement within the Committee Report of the 02nd March 2022 reflect the actions taken.	Substantial	Almost Impossible	5 (G)	The risk owners are the Section 151 Officers supported by Treasury and Financing Teams.
