- 5. Mitigating actions have been updated for:
  - a. new measures e.g. drafting our first policies on representation / conflicts of interest; submitting our 2022 application to retain our signatory status to the Stewardship Code; changing our processes to comply with the new Stronger Nudge to Pensions Guidance regulations; and using a tracing service to find 'lost' members.
  - b. previous measures that have been completed / developed further / have changed timelines e.g. publishing our second annual Climate Risk Report and Climate Change Risk Strategy; arranging an employer forum on the actuarial valuation as at 31 March 2022; analysing selected employers' 2021 financial metrics; reviewing our pensions administration system's supplier's Cyber Security Review 2022; and progressing the pensions administration restructure.
