

PENSIONS COMMITTEE

13 OCTOBER 2022

RISK REGISTER

Recommendation

- 1. The Chief Financial Officer recommends that the August 2022 WPF Risk Register be noted.**

Background and update

- The Risk Register is kept under regular review and, following the August 2022 review by officers, an updated Register is attached as an Appendix.
- No new risks have been added as a result of the review and there have been no increases or increases to risk scores.
- Mitigating actions have been updated for:
 - a) new measures** e.g. running revised cashflow monitoring; and issuing cyber security top tips for Board and Committee members; and
 - b) previous measures that have been completed / developed further / have changed timelines** e.g. reviewing the asset allocation strategy.
- Staff continue to predominantly work from home to deliver a 'business as usual' service with no loss in productivity.

Supporting information
