

Worcestershire Pension Fund Updated Position Statement: Good Governance Aug 2022

This position statement has been prepared to summarise progress on how we are taking forward the LGPS Scheme Advisory Board's (SAB) Good Governance workstream in preparation for draft statutory guidance being issued. The numbering relates to the recommendations in the November 2019 Hymans Robertson Phase II [report](#) 'Good governance in the LGPS'. We are also closely monitoring [The Pensions Regulator's plans](#) to combine 10 of its 15 existing codes of practice (including [CoP 14: Governance and administration of public service pension schemes](#)) into a new, single, combined and expanded (to incorporate climate change, cyber security, (ESG) stewardship of investments, administration and remuneration policies) modular document that identifies the legal duties of pension funds, provides advice on how to meet them and incorporates changes introduced by the Occupational Pension Schemes (Governance) (Amendment) Regulations 2018 (the governance regulations). TPR expects to run a further consultation on the single code in summer 2022.
