

WORCESTERSHIRE COUNTY COUNCIL EQUALITY IMPACT RELEVANCE SCREENING

This exercise is not an Equality Impact Assessment (EIA). It is a desktop screening exercise designed to establish if you need to carry out an EIA. When completing the screening please use plain English avoiding the use of acronyms or jargon. Any documents referred to should be attached to this screening form.

Remember, throughout this exercise the term 'policy' (or 'policies') is used as shorthand for 'policies, practices, activities, strategies, plans, projects, procedures, functions and protocols'. It therefore needs to be interpreted broadly to embrace the full range of functions, activities, plans and decisions for which the County Council is responsible.

For help completing this screening please refer to the County Council's [EIA Guidance document](#) available on SID.

2.5 Based on the factors above, is an Equality Impact Assessment required for this policy?

Yes	
No	x

An EIA is not always needed. Where you have decided that an assessment is not required please clearly summarise the reasons for your decision, including any factors you have taken into account, in the box below. Please then ensure this screening form is signed-off by your line manager and sent to the Corporate Equality and Diversity Team for publication.

EIA not required: reasons and additional comments
There will be an overall increase in the number of places available, which will benefit children regardless of whether they have any of the protected characteristics. Schools recommended for expansion are all currently rated good or outstanding by Ofsted so the additional places will allow more children in these areas of population growth to attend high quality settings.
