6. NOTICES OF MOTION

Notice of Motion 1 – Public Transport

1. The Head of Legal and Democratic Services reports that he has received the following Notice of Motion. The Constitution provides that any submitted motion must be moved and seconded at the meeting. Otherwise, unless postponed with the consent of the Council, it will be treated as withdrawn.

2. If a motion is in relation to the exercise of an **executive function** it will be referred to the Cabinet for decision (if applicable this will be indicated below). Otherwise the Council may decide itself to determine the Motion, or refer it to the Cabinet or another appropriate Committee for advice before determining it at the next available meeting.

3. This motion is not in relation to the exercise of an executive function and the Council may decide to determine the Motion.

4. Notice of Motion standing in the names of Mr P Denham, Mrs P Agar, Mr P M McDonald and Mr R M Udall:

"This Council believes that the use of public transport in all its forms should be encouraged. We believe taxis are a part of our public transport system and they play an important role helping residents, including those with disabilities or without their own cars, to have access to services. This Council therefore requests that the Cabinet Member with Responsibility for Highways should consider investigating a change of policy and to bring a report to Cabinet which would examine ways to allow taxis to use bus lanes within Worcestershire which would help them to get through congested streets, reduce the time of journeys and the cost to the passenger paying public."
